DISCOVER OUR PROCESS INSTRUMENTATION PARTNERS

1. VALVES & FLOW CONTROL

Valves, Actuators,
and Automation
Control

Stainless Steel &
Carbon/Cast Steel
Valves

Alloy Valves &
Controls

Flow Control
Valves

Butterfly Valves
and Controls

Hydraulic and
Pneumatic Products

Thermoplastic
Valves and Process
Control Products

Valves, Fittings,
and Flow Controls

Valves and
Automation

Valves, Fittings,
and Tubes

Stainless Steel
Valves

Industrial Valves

2. VALVE AUTOMATION, ACTUATORS, & CONTROLS

Solenoid Valves
and Automation
Controls

Pneumatic and
Electropneumatic
Controls

Pneumatic Vane
Actuators

Pneumatic Valves,
Actuators, and
Automation

Pneumatic Actuators,
Electric Actuators, and
Valves

Valves and
Automation

Valve Communication
and Process Control

Directional Control
Valves and Actuator
Controls

Valve Accessories
and Controls

3. STEAM SYSTEMS

Industrial Valves for
Liquid & Gaseous
Media

New & Remanufactured
Safety Valves

Steam Systems

4. PROCESS HEATING & HEAT TRACE

Surface Heating
Solutions and
Controls

Electric Heat and
Control Products

Heat Sensor
Technology

Process Heating

Temperature
Controls and
Sensors

5. INSTRUMENTATION & MEASUREMENT

Pressure, Level,
Flow, and
Temperature

Instrumentation
Equipment

Temperature and
Pressure
Instrumentation

Pressure,
Temperature, and
Digital Instruments

6. FILTRATION, PURIFICATION & PROCESS SUPPORT

Hydraulic Products,
Strainers, and Filters

Hydraulic and
Pneumatic Products

Air Purification
Products and Filters

Valves, Strainers,
and Automation
